

COMMISSION PURPOSE

The Parking Commission shall serve in an advisory capacity to the Board of Selectmen and Town Manager (or his/her designee) assisting with the development, implementation and continued monitoring of a comprehensive public parking system throughout the Town. The Parking Commission shall review and develop recommendations for the ongoing financing and operation of public parking services for both the near term and twenty five (25) years in the future and facilities to include:

- i. Making recommendations to the Board of Selectmen and Town Manager for the maintenance and implementation of an overall public parking plan that defines goals, policies, and regulations.
- ii. Making recommendations to the Board of Selectmen and Town Manager with respect to funding for a parking activity fund.
- iii. Making recommendations to the Planning Board, the Board of Selectmen and Town Manager with respect to capital improvement programming as it relates to public parking facilities.
- iv. Making recommendations to the Board of Selectmen and Town Manager with respect to special parking districts, related maintenance programs and their funding and management.
- v. Promoting communication and the exchange of ideas and concerns between users of public parking, property owners, merchants, and Town agencies.
- vi. Acting to promote public awareness of public parking areas in the Town.
