Emergency Responder Quarantine Facility

Location:

Anchorage Inn  
417 Woodbury Ave Portsmouth, NH  
Tel. # 603-431-8111

Amenities- WI-Fi, parking

34 rooms available immediately, 6 more in the coming days.

- This facility is intended to be an alternate quarantine location if a responder is not able to self-quarantine at home.
- The responder's sponsoring department will be responsible for providing meals and/or funding for meals to the quarantined individual
- This quarantine facility is intended for asymptomatic individuals; any signs of illness may require medical intervention not available at this facility
- There is a logistics coordinator assigned to this facility to assist with meeting the needs of the responder. In addition, the sponsoring department leadership will maintain communication with their department member to assist in meeting the needs and to be a liaison with the responder's family
- There will be a policy for responders to abide by while quarantined. This will be distributed by the logistics coordinator
- Upon check-in to the location, the responder should be masked and maintain a distance from others as appropriate.
- There will be a daily call to the responder from a Public Health nurse to assess the responder's current medical condition (will ask questions about fever, etc.)
