

Ammonoosuc River Local Advisory Committee

The Ammonoosuc River LAC had its first meeting, as an organized group in January 2008. Members of the committee represent seven river corridor towns: Haverhill, Bath, Landaff, Lisbon, Littleton, Bethlehem and Carroll. The Rivers Management and Protection Act of 1988 (RSA 483) established the Rivers Management and Protection Program, which brought about state designation of significant rivers, protection of instream values and local development and adoption of river corridor management plans. Information about the Rivers Management and Protection Program is available by going to the NHDES One Stop Online. Click Water Division under the departments heading. Members of the Committee are appointed by the Commissioner of the NHDES upon receipt of the name of the nominee from the local town government. The committee meets the first Wednesday of every month from 4:30 to 6:30 PM at the Littleton Area Senior Center, 77 Riverglen Road, Littleton.

MEMBER	TOWN	TERM EXPIRES
Jessica Willis	Littleton	6/7/2016
Charles Ryan	Littleton	04/04/2017
